HOW TO BE ENROLLED AT LUTSK NATIONAL TECHNICAL UNIVERSITY

HOW TO GET AN INVITATION FOR STUDY?

An invitation is issued upon prior application of a foreigner with the provision of the following documents by e-mail inter_idtu@ukr.net:

- scanned copy of foreigner's international passport (page with photo);
- scanned copy of previous education document (high school certificate, Bachelor's degree certificate);
- scanned copy of supplement or transcript of records;
- completed application form;
- signed consent to personal data collection and processing ;
- notification of arrival in Ukraine.

All expenses related to the invitation registration and its delivery to applicant are covered by the applicant.

WHAT DOCUMENTS DO YOU NEED FOR ADMISSION?

- international passport and 2 translations into Ukrainian, notarized in Ukraine or another document proving a stateless person with an issued D-type visa for countries with a visa entry procedure;
- the original document on previous education and its translation into Ukrainian, notarized in Ukraine;
- the original supplement to the document on education with grades (points) and translation into Ukrainian, notarized in Ukraine;
- 8 photos;
- medical health insurance valid during period of studying.

The documents referred to 2 – 3 of this paragraph must be certified by Apostille stamp in the country where the documents were issued or must be certified in the country of issue in the manner officially used in that country for such certification and legalized by the relevant foreign institution of Ukraine, if nothing other is stipulated by the international Ukrainian agreements.

FACULTY/SPECIALTY

Faculty	Code	Specialty
Faculty of Computer and Information Technologies	121	Software engineering
	122	Computer science and information technologies
	123	Computer engineering
	125	Cyber security
	151	Automation and computer-integrated technologies
	152	Metrology and information-measuring technology
	153	Micro- and nano-system technology
	171	Electronics
	172	Telecommunication and radio engineering
Faculty of Transport and Mechanical Engineering	131	Applied mechanics Applied mechanics. Metalworking equipment and robotic production systems
